Mr. Hoover on Crime
No More Poverty
Who Sold the Whisky?
To the Poor Farmer

BY ARTHUR BRISANE

HE BLUNT HOOVER tells "new" editors that crime is not a problem and it is not chiefly a problem of the country as it is, under crime.

Five thousand are murdered every year in the United States and more than half as many are convicted.

As to crime, Hoover says it is not a problem of the country as it is, under crime.

Hoover says that crime is not a problem of the country as it is, under crime.

Hoover says that crime is not a problem of the country as it is, under crime.

FLOODS CAUSE HEAVY DAMAGE IN EAST, SOUTH

Midwestern Section of Country Also Hit by Overflowing Rivers

1 000 HOMELESS

Broken Levee in Arkansas Inundates 13 000 Acres of Farm Lands

By International News Service
Hard on the heels of the abnormal rain weather of the past two weeks comes today of floods, swollen rivers, public distress and property damage in many sections of the country.

International News Service dispatches indicate that the eastern southern and midwestern sections of the nation have been hardest hit.

From Snow Lake, Arkansas, came a graphic account of how nearly 1 000 persons had been washed out of their homes by the crumbling of a part of the Louisiana Circle levee caused by the steady increasing pressure of the rising backwaters of the Mississippi river.

An area of nearly 13 000 acres is inundated in this district according to International News Service and many inhabitants are seeking refuge on high grounds built purposely for such emergency.

In upstate New York on the out skirts of Rochester the Genesee river overflowed its banks with the consequent marooning of more than 50 families and property damage running into the thousands. The river waters were still rising today although the rain had ceased falling and numerous highways and railroad cuts were in unaltered greatly hampered.

Conditions in the Susquehanna river valley both in New York and Pennsylvania likewise were reported bad. Two lives were said to have been lost from farms inundated and hundreds made homeless along the winding course of the Susquehanna.

From New England came reports that numerous roads were under water and that rivers reservoirs and dams were rising steadily.

Sunshine and warm weather however are expected to hold damage to a minimum in this section.

1,000 Flee Homes as Levee Breaks

SNOW LAKE, Ark., April 23.—

Nearly 1 000 persons had been washed out of home and home today as the result yesterday of the crumbling of part of the Louisiana Circle levee.

The wild clanging of farm bells and the incessant ringing of rural telephones spread the alarm of the advancing wall of water so quickly that there was no loss of life and nearly all the live stock was saved.

The break in the levee was attributed to the heavy rain.

WOMAN SUES FOR \$25,000 DAMAGES

Hit by Messenger Boy's Bicycle Files Claim Against Telegraph Co

A suit to collect \$25 000 damages was filed in common pleas court here today by Leon Burkhardt against the Western Union Telegraph Co. The plaintiff claims that she was injured to this extent when she was struck by a bicycle ridden by a messenger boy for the telegraph company.

According to the petition the accident occurred on East Center st. on Dec. 31 1928. The plaintiff charges that the messenger boy was riding a bicycle on the sidewalk in violation of a city ordinance. She charges that she was knocked to the ground by the impact with the wheel and that serious internal injuries resulted.

The plaintiff is represented by the law firm of Jacoby & King.

LEAGUE GROUP BANS POISON GAS, GERMS

Preparatory Disarmament Commission Takes Action for Future Warfare

GENEVA, April 23.—Poison gas and chemical warfare will play no part in the future of the world, according to a resolution adopted today by the League of Nations preparatory disarmament commission.

The commission agreed to forbid the use of both of these agencies of death.

THEN HE SLIPPED

Four wars without even as much as a scratch is the unique record of Maj. Gen. Joseph H. ...

He also said there was no recourse for the business men if the C. D. & M. officials would not compromise on rates.

In spite of council's sentiment against making any concessions in the street lighting problem the ordinance to contract with the C. D. & M. Electric Co. officials for the lights on Center at Oak and Baker st. and on Main at Hill st. to Columbus st. was given its second reading last night.

The rates provided for in this ordinance are \$7 a month for lights burning all night and \$3 a month for lights burning until 11 p. m.

Is Carried Over
Councilman Slack immediately moved that the question be carried over until the next meeting. This was seconded by Councilman Schneider and passed.

The ordinance received almost the same treatment two weeks ago after the first reading when councilmen decided by a five to four vote not to suspend the rules to give the ordinance its second reading.

The ordinance will be read for the third time at the next regular council meeting and at that time some disposition of the ordinance is expected.

U. S. AWAITS ACTION ON NAVAL ARMS CUT

No Immediate Results on Proposal of Ambassador Gibson Expected

BY GEORGE R. HOLMES
Marion Star Staff Writer

WASHINGTON, April 23.—Having placed America's disarmament cards on the table at Geneva face up Washington sat back today and waited for the world's great naval powers to match them.

Stripped of six cylinder words and phrases of diplomatic expression the American offer amounts to this:

If you want armament and we will match you ship for ship gun for gun. The ship is the limit.

But one condition is thrown about the American offer. That is that the product of all classes of ships from dreadnaughts to submarines from battle cruisers to destroyers.

Only once before in the world's history has such a bold challenge been flung out to the world powers. That was a very long time ago in Washington when Charles L. Hughes as secretary of state almost gave the statement of the world's reply by dramatically proposing to them.

Scrap your capital ships and limit the smaller ones.

Actual Reduction Sought
This time it is something more than mere limitation that the American government has proposed through Hugh C. Gibson speaking for President Hoover's Geneva. What he has proposed is actual reduction of naval fighting craft, actually, every class of war ship.

Alarmed the American offer applied to all the slugs of the great powers, Britain, France, Japan and Italy, for their fleet, not only they, but also Germany, for naval disarmament. For more than five years now the powers have met at Geneva under the auspices of the League of Nations and made heroic speeches about the steps of world disarmament while their naval yards have been working overtime on the construction of three vessels which were not limited in the Washington conference treaty.

By radio parlance Ambassador Gibson has now invited them to "put up or shut up."

Proposed War-Time
The American proposal was actually made. Ambassador Gibson pointed out, however, that before justifying the multi-lateral treaty recognition was as an instrument of national policy. And if they are sincere in

STREET LIGHT PETITION FAILS TO GET ACTION

City Council Turns Deaf Ear to Appeal of Business Men

DEADLOCK HOLDS

Rate Cut by C. D. & M. Apparently Only Hope of Extending 'White Way'

State signatures of Marion business men on a petition presented to city council in an effort to break the deadlock existing between the C. D. & M. Electric Co. and council on rates for the proposed extension of the 'white way' lighting system now used on West Center st. failed to effect action at a caucus of council last night.

Councilmen maintained the rates were too high and gave the delegation of 12 business men who presented the petition practically no hope of council yielding in its stand according to those participating in the session.

Council suggested that the business men try their efforts to secure an offer of lower rates from the light company.

Outlook Not Hopeful
Business men are not anticipating a very successful meeting with the light company officials, following refusal of these officials to compromise on rates in two meetings with council according to George L. Larr, who headed the delegation of business men last night.

It looks like we'll have to buy the lights ourselves and furnish the fuel to run them if we want any. Larr said today. He also said there was no recourse for the business men if the C. D. & M. officials would not compromise on rates.

In spite of council's sentiment against making any concessions in the street lighting problem the ordinance to contract with the C. D. & M. Electric Co. officials for the lights on Center at Oak and Baker st. and on Main at Hill st. to Columbus st. was given its second reading last night.

The rates provided for in this ordinance are \$7 a month for lights burning all night and \$3 a month for lights burning until 11 p. m.

Is Carried Over
Councilman Slack immediately moved that the question be carried over until the next meeting. This was seconded by Councilman Schneider and passed.

The ordinance received almost the same treatment two weeks ago after the first reading when councilmen decided by a five to four vote not to suspend the rules to give the ordinance its second reading.

The ordinance will be read for the third time at the next regular council meeting and at that time some disposition of the ordinance is expected.

WOMEN TO DECIDE "WILD YOUTH" CASE

Are Parents to Blame for Jazz Youngsters? Their Problem

CHICAGO, April 23.—A jury of 12 prominent women headed by Jane Addams of Hull House here today was to pass on the questions of what makes wild youth wild and who is to blame—the modern jazz youngsters or their parents.

The dozen most of whom daily deal with problems of youth will sit at the trial of Mrs. Jane Weston in Judge A. O. Erickson's court.

Mrs. Weston is accused technically of violating the compulsory education law in that she did not properly safeguard her daughter Collette, 15. The latter took part in a roudhouse party which ended in the death of George Lux, 23 year old high school student in an automobile accident.

The women will serve as an official jury because women are not permitted to sit as jurors in Illinois but Judge Erickson asserted their decision would guide his ruling.

SAYS U. S. ATTORNEYS MUST HEED LETTER

Mabel Willebrandt's Instructions To Be Obeyed or Else—Department's Hint

WASHINGTON, April 23.—U. S. District attorneys who fail to heed the letter sent out by Mabel Willebrandt, assistant attorney general instructing them to use discretion in application of the draft Jones law will find themselves in exceeding disfavor with the department of justice and it may be that a few resignations will be asked for.

This was the impression thrown out at the department of justice today concerning the statement of T. J. H. Hancock, chief of attorney in Milwaukee to the effect that the Jones law would be applicable to all liquor cases in his jurisdiction so far as he was concerned.

WARNING TO GUARDS SEEN IN RESIGNATION REQUEST

WASHINGTON, April 23.—A warning to guard guard men who are too quick on the trigger was seen here today in the announcement of the treasury that Edward James R. Logan has been requested to resign from the service.

Logan was in the line of the recent patrol that recently took the Miami waterfront with machine gun fire while pursuing a man in a rum run to the Miami river.

AMPLIFY TESTIMONY
Loud speaker placed in courtroom for benefit of jury

CINCINNATI, April 23.—In installation of a 'loud speaker' or an amplifier in the courtroom to the jury can easily hear the testimony in an expected insanity defense, today attracted more than unusual attention to the trial of Joseph Raso, 49, who is charged with the murder of his divorced wife.

The trial swung under way yesterday and as the noon hour approached the jury was called into the courtroom to hear the testimony of the first witness, a 'loud-speaker' was installed. This is the first time in the history of Hamilton county courts that such a step has been taken.

Blow Up Gotham?

Magician Says It's Possible with His "Miracle Box"

BY DAVID I. SEITNER
Marion Star Staff Writer

NEW YORK, April 23.—Upon a block of dynamite buried beneath New York City—a but ion pushed 20 miles away—and an electric impulse spanning space to explode the block and knock it to the New York sky high.

This and much more is claimed as possible through his 'miracle box' invention operated by ducts through a wire.

And further it is possible with a roomful of explosives and with the inductive force increased 100 fold to blow up the entire United States said Duninger.

You wouldn't do that Mr. Duninger, I said reproachfully. No I am going to give my invention to the U. S. government. Duninger confessed. I hope it will do all wars through the direct threat of its destructive properties.

DUNINGER stressed the point that he was against using evil devices except in a place and way explaining that some foreign power might think he had turned to page 5.

EFFORTS TO SETTLE DEBT WILL CONTINUE

Reparations Conference Saved as New Negotiations Open

LONDON, April 23.—The reparations conference has been saved for the time being and negotiations upon disputed points will be continued. It was officially announced this afternoon.

The following communiqué was issued in behalf of the committee of international experts:

The committee which will make a report on the work of the conference will consist of the chiefs of the various delegations. During the preparation of the report efforts will be continued to reach an agreement upon points still in dispute.

112 BELIEVED LOST AS JAP SHIP SINKS

Toyokuni Maru Goes Aground Off Cape Ermo Other Ships Pick Up 97 Survivors

LONDON, April 23.—One hundred and twelve persons are believed to have been drowned when the Japanese steamship Toyokuni Maru went aground off Cape Ermo and sank today. The majority of the ship's passengers were Japanese.

Other ships went to the rescue and picked up 97 survivors from the wreck.

The Toyokuni Maru sank on a reef in the wireless operator's line to send out only one SOS.

Cape Ermo lies on the S. coast of Costa Rica in the Gulf of Moravia and is approximately 60 miles from the big Japanese naval base at Yokohama.

CAN STOP SHIPS

Coast Guard Recruits Backing of Assistant Secretary to Search Vessels

WASHINGTON, April 23.—Coast guard vessels have a full right to stop and search American ships and where on the high seas or in the territorial waters of the United States Assistant Secretary of the Treasury Seymour Logan said today.

This statement was made in connection with the incident in which the coast guard cutter Seneca stopped the steamer cutter T. A. D. Jones about 50 miles off the New Jersey coast firing several warning shots.

No protest has been received so far from the owners of the cutter nor has a report been obtained from officers of the Seneca.

R. M. JUDO APPOINTED GOVERNOR OF HAWAII

WASHINGTON, April 23.—President Hoover has selected R. M. Judo, for more than a resident of Hawaii, as governor of the islands, succeeding Wallace R. Farrington. It was announced at the White House today.

Leviathan Passengers Refuse to Take Their Drinking Seriously; Movies Magnet

ON BOARD THE S. S. LEVIATHAN, April 23.—Passengers on the S. S. Leviathan on this, the first transatlantic voyage on which alcoholic beverages have been dispensed, simply refuse to take their drinking seriously.

The smoking room is getting only light patronage, and rum is a poor second to the movies as a popular attraction. This is evidenced by the fact that the smoking room has been completely

COUNCIL SPLIT IN ACTION ON GAS STATIONS

Three Cast Votes Against Permitting Use of Site at Main and Columbia Sts

VOTE ON TWO PROPOSALS

Majority Takes Stand Against Recommendation of Planning Commission

In an effort to give Marion filling station a better site, the city council held a heated half hour discussion last night on the merits of transferring the filling station from the business district to the residential district. As a result of the discussion one lot was transferred and the petition for another transfer was ordered sent to the city solicitor for legislation. Neither action was unanimous.

Discussion began over the recommendation of the city planning commission to transfer the lot of J. A. McMurray at the southwest corner of the intersection of Center and Reed st. from the residential to the business district and the commission's refusal to transfer the lot of J. A. McMurray at the intersection of Main and Columbia st. to be used by J. A. McMurray as a filling station site.

At the last meeting council referred the matter of McMurray's transfer to the ordinance committee on the second reading. The ordinance committee's report is not yet in.

At the last meeting council referred the matter of McMurray's transfer to the ordinance committee on the second reading. The ordinance committee's report is not yet in.

MAY GET JUDGESHIP

The president has again submitted to the Senate the nomination of former Senator Bruce L. ...

This action virtually ended all chances for repeal or post enactment of the new quota law.

The line hope of the groups holding national quota will be in an apparently futile attempt to get the Senate to reconsider the committee. This could be accomplished by industry vote but the Senate at its last session refused to consider the necessary legislation and there is no small chance of its acting now at the special session.

The rebuff to President Hoover's recommendation was not unexpected. When the president pleaded for repeal of the new quota law it was known on Capitol Hill that he had crossed Republican congressional leaders.

ODD FELLOWS PLAN ANNIVERSARY MEET

Special Program Tonight Will Celebrate 110th Year of Order

Arrangements were completed at a regular meeting of the Odd Fellows lodge No. 2510 O. F. O. last night to give a special program to celebrate the 110th anniversary of the founding of the Odd Fellowship by John Wilkes in Baltimore, Md. on April 26 1819.

The meeting tonight which is in charge of the Odd Fellows lodge No. 2510 O. F. O. will be held in the Odd Fellows hall North State st. Lodges attending the anniversary are: Lodge No. 2510 O. F. O. and Lodge No. 2510 O. F. O.

The program will be followed by a program of speeches and a social hour. The Odd Fellows lodge No. 2510 O. F. O. will be followed by a program of speeches and a social hour.

SECOND REBUFF GIVEN HOOVER IN TWO DAYS

Senate Committee Kills Resolutions Repealing Origins Law

VOTE IS 4 TO 2

Action Ends All Chance for Postponement of Immigration Law

WASHINGTON, April 23.—Advising the second legislative rebuff to President Hoover within two days, the Senate immigration committee today killed two resolutions for repeal of the national origins law.

The committee entirely ignored the president's request carried in his recent message to Congress for postponement of the national origins quota law which goes into effect July 1. The committee vote against the president was 4 to 2.

This action virtually ended all chances for repeal or post enactment of the new quota law.

The line hope of the groups holding national quota will be in an apparently futile attempt to get the Senate to reconsider the committee. This could be accomplished by industry vote but the Senate at its last session refused to consider the necessary legislation and there is no small chance of its acting now at the special session.

The rebuff to President Hoover's recommendation was not unexpected. When the president pleaded for repeal of the new quota law it was known on Capitol Hill that he had crossed Republican congressional leaders.

Committee Reports Farm Measure

WASHINGTON, April 23.—The new \$300,000,000 farm relief bill carrying the debtors report today passed by the Senate.

The report filed by Senator McNary Republican of Oregon chairman declared the farm problem was a national emergency. It carefully explained how a majority of the committee by a vote of 5 to 4 had incorporated the debtors plan over the president's opposition.

House Joins Fight Against Debiture

WASHINGTON, April 23.—President Hoover today received fresh support in his fight against the export of farm products from the House.

The House today passed a bill to prohibit the export of farm products from the United States. The bill was passed by a vote of 219 to 197.

The bill was passed by a vote of 219 to 197.

The bill was passed by a vote of 219 to 197.

Marjette Warner Charged with "Wedding" Home

MARIETTE, April 23—Allegation of the affections of his 65-year-old wife is worth \$10,000 to Alonzo Mc-

Kain, 60, whose suit was heard before Judge David Thomas. 79, a wealthy farmer, is charged with winning the smiles of Mrs. John L. McKain and wrecking the McKain home.

McKain, who was injured in an automobile accident on the outskirts of Cleveland last October and who is almost helpless now from rheumatism, had to be assisted to the witness stand.

He declared Mrs. McKain came to his home voluntarily to help him during his illness and that he did not entice her away.

COUNCIL APPROVES SIDEWALK PLANS

Takes Action on Improvement Projects for Various Sections of City

Construction of a sidewalk on the west side of Summit st. beginning at the north end of the walk at the L. A. Ave property and extending to the south corporation line, was ordered in a resolution unanimously adopted by city council last night. This walk will be approximately 300 feet in length.

Special assessments for the construction of a sidewalk on the east side of Forest Lawn blvd. from Church st. to Center st. and the construction of a walk on the west side of Nye st. from Brown av. to the south terminal were approved and adopted by council last night. The rates for the assessments on Forest Lawn blvd. were fixed at \$1.24 a linear foot, and on Nye st. at \$1.27 a linear foot.

A resolution, proposed by Councilman Mond, ordering the director of public service to raise and replace sidewalk on the east side of Kenton

av. from the Big Four railroad to Dar-

side st. was adopted.

REPAIRS ORDERED

Council Issues Instructions to C. D. & M. Preliminary to Center St. Work

The C. D. & M. Electric Co. will be obliged to repair and reconstruct the rails and roadbed of its tracks on Center st., from the west side of Main st. to State st., according to the provisions of a resolution adopted by city council last night. This repair was ordered in view of the reconstruction of this section of Center st. paving soon by the city.

NAMED BAR EXAMINERS

COLUMBUS, April 23—William G. Pickrel, Dayton, former lieutenant governor, and Harry F. Bell, Mansfield, were appointed members of the state bar examining commission by the supreme court. They succeed C. H. Henkel, Mansfield, and A. L. Gehard, Bryan. Their terms begin as of March 1, 1929, and end March 1, 1934.

BODY IDENTIFIED

CINCINNATI, April 23—The body of Miss Catherine Koch, 31, missing

since April 9, was found floating in a creek here. Coroner F. C. Swing said the woman had committed suicide. Identification was made by William Koch, a brother, who told police the woman had suffered a nervous breakdown early this spring. A police-discovered the body in Mill Creek.

NEW THINGS OF INTEREST TO WOMEN

"My China Sparkles Like Jewels"

"my hands look like strangers to the dishpan"

A Simpler Way to Wash Dishes

SPARKLING glass and gleaming china are as much a mark of social knowledge as good manners.

To have them—impeccable and flawless—and, at the same time for the housewife to have caring, white hands is a problem that has now been solved an interesting, new way.

Use any kind of soap, soap powder or soap flakes, in washing

dishes. But add a teaspoon of CLIMALENE to the water.

This enables you to use ONE-FOURTH the usual quantity of soap. For it softens the water instantly so that far less soap is needed.

Being a GREASE SOLVENT in itself, it DISSOLVES grease in-

stantly; and eliminates ALL FILM or scum from glassware. Makes it sparkle like rare jewels.

Containing superlative SKIN WHITENING and SKIN SOFTENING ingredients—used by scores of beauty specialists—it leaves the hands soft and lovely beyond words.

Women are flocking to it. It costs only a dime at grocers. Try it. Just ask for Climaleene.

SCIENCE CONQUERS moths!

[From Mellon Institute comes a great new moth-proofing discovery]

Financed by men interested in sure and lasting moth-protection for clothing and furnishings, the scientists of Mellon Institute of Industrial Research of the University of Pittsburgh set out six years ago to develop a moth-proofing method which would kill moths, prevent future damage by them, and do these things unfailingly!

Today the results of their efforts, a moth-proofing compound which does what has never been done before—gives complete, certain and continuous moth-protection—is released to the public through The Hoover Company, maker of Hoover Electric Cleaners, and pioneer in furthering the care of home furnishings.

ANNOUNCING

HOOVER KONATE the 5-year moth-proofing compound

No more moth damage! This is within reach of every home-maker today. Sure destruction of all moths in carpets, upholstered furniture, hangings, clothing, furs and blankets—and complete protection against the danger of attack in the future. And this protection is attained, not by a constant warfare against moths, but by a single thorough treatment of the moth vulnerable articles in the home!

Hoover Konate has been undergoing laboratory tests for the past five years—has been in widespread industrial use for the past three years. Articles protected by it at the beginning of these tests five years ago are still impervious to moths today.

How many years longer absolute moth protection will continue, only time can tell. But there are many reasons for the belief that it will be permanent! First, Hoover Konate has a remarkable penetrating property—instead of adhering merely to the surface it spreads widely and deeply through the fabric, giving complete distribution of the moth proofing ingredient to every fiber. Second, it clings tenaciously, does not rub off, is not removed by water, brushing, steaming or vacuum cleaning, nor affected by spilled food. Thus, it both destroys the moths already existent in the article and renders the material inedible by any moths which may be deposited on it in the future.

Hoover Konate is absolutely harmless—will not shrink or spot clothing, is invisible and odorless. Get a supply now—give your possessions real lasting protection against moths.

Auto Club Suggests Best Roads for Touring in This Section of State

take you into this place. According to the route that is taken, this trip from Marion to the centers may extend any where from 50 to 70 miles one way.

Another Attractive Trip
Another trip that is recommended by the local auto club is the one through Calcutta, Iowa, Galva, Mansfield, Loudonville, Sunbury, Delaware, and home. This trip is regarded as one of the most beautiful in the state, especially from Mansfield to Loudonville.

For this trip take route 80 into Mansfield and then No. 3 from Mansfield to Loudonville. Take 37 from Sunbury to Delaware and then 24 to Marion. On this trip you may see the Mansfield Reformatory. Also the river that follows the Mansfield Loudonville road provides many fine fishing places.

Once in Mansfield a trip well worth taking is the one to Chilpeau Lake. From Mansfield take route 42 to Ashland. From there continue on 42 to Lodi. Chilpeau Lake is then only a few miles between Lodi and Medina.

A trip that has been taken already by most Marion tourists but will continue to be enjoyed many times throughout the summer is the short drive to the picturesque O'Shaughnessy dam. The plan that is advised now for this trip is to take route 24 to Delaware and then turn to the right on the second street after passing the square. This puts you on route 27 direct to the dam. The distance to the dam from Marion is 37 miles. From the dam, if you have plenty of time you are advised to take the drive along the river to

Columbus through Dublin and Upper Arlington.

To the North
Other trips that are taken less often but nevertheless offer interesting places for sight seeing are the ones through Upper Sandusky, Carey, Findlay and Lima. Of course the old lake route through Bucyrus, Vidua and Sandusky will attract its regular number of motorists. From this route you may make direct connections out of Sandusky for Ite Peach, Huron, Vermilion On The Lake, and Huggles Beach. A short ferry ride from Sandusky will land you at Cedar Point. Through Upper Sandusky runs the route to St. Mary's Shrine at Carey. Other places in the northern district of the State are Milan, the birthplace of Thomas Edison and the old Fort, a few miles out of Fremont.

To reach Fremont from Sandusky take route 101 to Castalia, continue on the same route to Clyde and then switch to 20 to Fremont. Route 57 will take you direct from Fremont to the old fort, which although of the last frequent place of interest in the state yet is rich in tradition.

The roads which are to be taken on these trips are in the best of condition and excellent time can be made on any of the routes.

PRESENTS LETTERS

Waldo Superintendent Distributes
Coke Honors at Assembly

WALDO April 23—Reverend Rogers, Jr. of Springfield, spoke on "The Rule of the Game," at the chapel service today morning at the Waldo high school auditorium. At the conclusion of the program Superintendent W. W. Thompson presented athletic letters to the following members of the girls basketball team: Rhonda Johnson, captain, Dorothy Hengert, Hazel Fisher, Hope Kluge, Margaret Thompson, Emma Shoof, Thelma Stone, Doris Shultz, Leith Wheeler, Ava Strain and Marcel Helen Shultz. Miss Martha Cheney is coach of the team.

Letters will be presented to the following members of the boys' basketball team by Coach Melvin Conwell at the Junior-Senior banquet Thursday night: Ralph Gordon, captain, Ralph Bender, Oscar Augenstein, Clifford Strine, Frederick Wilson, Edison Baker, Owen Strine, Franklin Gordon, Bernard Lauer, Robert Denzer and Alvin Davis, cheer leader.

KIRKPATRICK FRIENDS PLAN CELEBRATION

KIRKPATRICK April 23—A number from this vicinity gathered at the home of Mr. and Mrs. George Mason, of Marion Sunday, honoring the birthday anniversary of Mrs. Mason. Those present were Mr. and Mrs. Guy Hord and family, Mr. and Mrs. Harold Brooks and family, Mr. and Mrs. William Knowles and daughters, Mr. and Mrs. William Ludwig and family, Mr. and Mrs. Vinol Lillie, Mrs. Minnie Strouse and Catherine Wolf. Mr. and Mrs. Mason recently moved to Marion from Mansfield.

FIVE YEARS OF SUFFERING END; KONJOLA LAUDED

"I Have New and Splendid Health All Over," Declares Lady Who Found a Surprise in New Compound

MRS. KATHARINE NEMENS

"Stomach trouble and nervousness just about made a wreck of me in five years and to be well again gives me more joy than I can describe," said Mrs. Katharine Nemens, 585 Hollywood Boulevard, Youngstown.

The lightest foods and gas bloating and general misery I could not sleep at night. I was so nervous and felt up to my eyes every night, knowing that I am suffering with acid and certain I had found the smallest morsel irritate me and my general health was running low. After meals the gas pressure was so severe that I felt like my heart would stop any minute.

I read after day of Konjola's remarkable achievements and decided to give it a trial. Today my nerves are as strong as steel. Every sign of indigestion has disappeared. I can eat and sleep like a normal, healthy person. A chance like this it seems to me is little less than a miracle. Konjola will always have a place in my home.

Konjola is different than any other known remedy in this section. It contains twenty-two juices extracted from natural plants which invigorate the stomach, liver, kidneys and bowels to a more healthy action. The effect of this Konjola on the entire system brings amazing relief in cases of suffering that has been going on for years. At the same time many weak and rundown persons have been restored to a new state of health through this compound. Such a vast number of men and women in this city have told of their experience with this new medical product until now, Konjola is the most highly forced medicine that is known in this section.

Konjola is sold in Marion at Camp & Sons Pharmacy and by all the best druggists throughout the section.—A.L.

Our Second Floor Dress Sections Are Just Filled With Frocks of Every Kind...For Every Occasion...In Every Size For Miss and Matron

Extensive Train Schedule Revision of Big Four to Become Effective Sunday

Nearly Entire Time Table Included in Changes Announced
Here; Two New Trains Added; Some Will
Discontinue Stops in Marion

Two new passenger trains have been added to the Big Four railroad schedule through Marion between New York City and St. Louis, according to an announcement issued today by officials of the road. These and other changes in the Big Four schedule, which will go into effect Sunday morning, April 28, constitute the most extensive revision in a railroad schedule through here in a number of years. One train formerly stopping at Marion will be made an all-pullman train while several others will discontinue stops here.

Two Big Four trains going east remain the same. These are No. 20, leaving here at 4:55 a. m., and No. 16, leaving Marion at 1:15 p. m.

Both of these trains go to Cleveland with direct connections for New York City.

Other changes in the east-bound trains are:

No. 10, now leaving here at 8:55 p. m., will be made an all-pullman train but will not make a stop at Marion. However, a new train, which will be known as No. 22, will take care of practically all the traffic formerly taken by No. 16. Train No. 22 will leave here at 8:25 p. m. for Cleveland with direct connections for New York City. No. 104, which has been changed to train No. 114, will leave Marion at 5:15 p. m. for New York City.

Train No. 118, which is now a flag stop train only, passing through Marion at 11:45 p. m., will be made a regular stop train, reaching this city at 11:43 p. m., leaving two minutes later.

West-bound Schedule

Big Four trains going west from Marion will have the following schedule:

Train No. 9 now leaving here at 2:55 a. m. for St. Louis will remain the same, as will No. 39, which leaves here at 4:25 a. m. for St. Louis.

No. 141, due in Marion under the present schedule at 6:14 a. m., will leave for the west at 5:30 a. m. This makes this train leave 44 minutes earlier than on the present schedule.

One new train will be sent through Marion enroute to St. Louis. This will be known as No. 17 and will leave this city at 7:05 a. m., reaching St. Louis at 4:55 o'clock the same afternoon.

The Southwestern Limited, one of the Big Four's fastest trains, will leave two minutes later than its present schedule. It now leaves this city for the southwest at 5:15 o'clock a. m.

No. 119, leaving Marion now at 11:00 a. m., will depart for the west at 11:02 a. m., a change of seven minutes. Both No. 3, leaving here at 3:12 p. m., and No. 31, leaving here at 5:38 p. m., will remain the same.

Excursions Listed

The Erie railroad has announced its full excursion schedule to Chicago and return for the summer season. Excursions will leave Marion shortly after midnight, reaching Chicago around 7:30 o'clock.

The dates that have been named for excursions to Chicago and return are: May 26, July 7, Aug. 18, Sept. 29 and Nov. 10. The round trip fare to Chicago and return from Marion is \$3. Major league baseball games will be played in Chicago on every excursion date. The Big Four will run excursions to Cleveland practically every other Sunday during the summer. The next one to Cleveland will be Sunday April 28.

Tramps Enroute

Two theatrical companies enroute from Chicago to New York City passed through Marion last night. The Monte Carlo Company occupied an extra sleeper and baggage car on No. 1. No. 8 had an extra baggage car for the Bubblers Theatrical Company.

Team Practices

Members of the Hocking Valley recreational ball team held their first practice of the season last night on the Marion Steam shovel diamond. A good representation from last year's team was present. Lloyd, manager of the team, is looking forward to a successful season.

Official Here

J. H. Harper, general agent of the Denver & Hm Grande Western railroad, was in Marion yesterday.

Dies From Injuries

COLUMBUS, April 23—Clarence Brittingham, 35, father of five small children, who suffered a fractured skull in an automobile-street car collision here last Wednesday night, died in St. Francis hospital here today.

FLOOD DAMAGE IN EAST, SOUTH GREAT

Midwestern Section of Country Also Hit by Overflowing Rivers

Continued from Page One

ated to the pressure of the backwaters which have been backed against it for weeks.

An area of nearly 15,000 acres was inundated.

The utilities were rushed to safety by automobile caravans and on Missouri Pacific trains.

Menace Decreased as Rain Subsides

BOSTON, April 23—Sunshine, for the first time in nearly a week, covered New England today and the combination of rain combined with generally low temperatures decreased the serious menace of floods.

In the wake of a severe northeast storm, during the night and this forenoon, water in the Connecticut and other large rivers of New England dropped from one half to a foot. High water was still running over the dams, however.

New York State Hit by Floods

ROCHESTER, N. Y., April 23—Intense suffering and heavy property damage resulted here last night and today when the Genesee river, swollen by the incessant rainfall of the past week, overflowed its banks.

The water was still rising this morning, but the improved weather is expected to hold down further damage.

U. S. AWAITS ACTION ON NAVAL ARMS CUT

No Immediate Results on Proposal of Ambassador Gibson Expected

Continued from Page One

this, he emphasized, there appears now no plausible reason why they should not refrain from building and maintaining naval establishments beyond those needed for ordinary defense and police purposes.

The last naval reduction conference, between the United States, Great Britain and Japan, broke down because Britain insisted upon severely limiting 10,000-ton cruisers, which she does not need, and establishing virtually no limitation upon smaller cruisers.

With her cooling stations and naval bases all over the world, Britain has no particular need of the larger-type cruisers. The smaller type serve her just as well. On the other hand, the large cruisers are necessary to the United States because of the long distances between American bases, Hawaii to the Philippines, for instance.

Basis of Helpline Needs

The Washington conference partially broke down because France would not agree to any limitation in submarines. France wanted to build up a great force of submarines to offset Britain's superiority in surface fighting ships.

To get around these perennial barriers, the United States now proposes to make the reduction applicable to every type of naval fighting craft, and to work it out on the basis of relative needs. That is, if Great Britain decides she needs as many 7,500-ton cruisers, the American quota will be worked out on a lesser number of 10,000-ton cruisers more adaptable to her peculiar needs.

"To each according to his needs," is roughly the American proposal.

No Immediate Action

"It is not considered likely in Washington that there will be any immediate action. For one thing, a British general election is just around the corner. For another, France will never consent to armament reduction of any sort so long as the German reparations question still is unsettled. These two factors alone will operate to prevent quick action. The American proposal was simply planted for future growth—perhaps to flower at the second Washington conference in 1937.

Ambassador Gibson's speech was written in Washington before he sailed for Geneva. It was worked out in a series of conferences between President Hoover, Secretary of State Stimson, and Gibson himself, aided by naval technicians.

ODD FELLOWS PLAN ANNIVERSARY MEET

Special Program Tonight Will Celebrate 110th Year of Order

Continued from Page One

the 110th degree at the meeting of Kocisko next Monday night. Two applications were acted on at the meeting last night.

An invitation was received by Kocisko lodge from Ruffey Lodge No. 330, Warrensburg, O., to attend its entertainment and celebration of the 110th anniversary of the founding of Odd Fellowship, which will be held Saturday night, April 27. Tentative plans call for the Kocisko lodge to make the trip to Warrensburg.

It is hard to speak thus of a dead man who may have been as brave and courageous as he seemingly was lacking in judgment and discretion but the practice of which he is guilty has become so common that the nation fairly cries out for repressive treatment by the Government, not only for the sake of civilians but for the safety of men of the Government's air forces as well.

The head of the shipping department of a Canadian brewer testified in Toronto last week that his company exported between 4 000 and 60 000 bottles of beer daily to the United States whereas only 1,200 bottles are daily purchased by the Ontario liquor board. If this may be taken as an index of the export of Canadian breweries, it is highly probable that our good drinking citizens have suffered greatly from drought.

There Might Be a Demand

Of course it is unlikely that beer will ever come back to its former popularity, but it is not impossible that there would be a demand for it in the future. The fact is that the beer industry is not dead, and it is not likely to be for some time to come. The fact is that the beer industry is not dead, and it is not likely to be for some time to come.

William the four year old son of Mr. Charles Clark residing a mile west of Caledonia fell off a harrow and suffered a breaking of the bones of his right leg and other injuries.

Senator a Real Optimist
Senator Jones, who drafted the Jones bill, he sees the end of the harlequin. The senator must have a pair of eyes of full class.

Social Activities

MEMBERS of the Shakespearean club brought their season to a close with a charmingly appointed six o'clock dinner last night at the Ringer tea room. During the social hour which followed the dinner, the members enjoyed an original Shakespeare contest arranged by Mrs. Ethel Young.

Awards which were souvenirs brought by Mrs. Young from Stratford-on-Avon, going to Mrs. A. F. Fies and Mrs. Z. Stout. Mrs. Rodney B. Hines entertained with two pleasing readings. The members will resume their meetings with studies of Richard the Second and Comedy of Errors. Mrs. A. F. Fies, of Maumet, an out-of-town member, was in attendance.

Club Appoints

At a meeting of the Seaside club yesterday afternoon at the home of Mrs. C. H. Linders, Windsor st., the following chairman were appointed: civic, Mrs. W. L. Miller; health, Mrs. J. L. Jolley; legislative, Mrs. O. V. Hoby; education, Miss Sylvia Collar; child welfare, Mrs. E. J. Lohr; finance, Mrs. H. M. Ewing; memorial, Mrs. W. J. Strayer; art, Mrs. Leah Smith; music, Mrs. Wren Luchter; literature, Mrs. Carmen Shepherd; social, Mrs. E. A. Schultz; Mrs. M. A. Miley and Mrs. W. W. Jack.

During the business meeting, plans were made to hold an indoor picnic May 6, at the home of Mrs. Strayer, East Washington st. It will be the last meeting for the year, and officers will be installed at that time. Mrs. Luchter was appointed as delegate to attend the Federation convention in Dayton this week, with Mrs. Egan as alternate.

The program at the meeting opened with a correct English drill led by Mrs. Linders, and a paper on sculpture in America by Mrs. Luchter. Mrs. Jolley read a paper, "Famous Women Sculptors of America."

Plans Made for Final Meeting

Plans for the final meeting of the Seaside club were made yesterday afternoon at the home of Mrs. J. L. Viden, 1171 East Church st. April 30 the club will meet with Mrs. Paul Sprang, at her home in Cincinnati. Following the transferring of the gavel to the incoming president at that time and the reports of the Ohio Federation of Women's clubs convention held in Dayton, April 22-25, a 1 o'clock luncheon will be served.

Following the business meeting

yesterday, the program opened with a paper on Shakespeare's "The Tempest," given by Mrs. J. C. Turner. Mrs. George Turner read three original poems composed by Mrs. Sprang, which dealt with Lincoln. Mrs. H. L. Loeke gave a sketch of various works of Shakespeare, followed by another group of Mrs. Sprang's poems, "March," "Valentine Thoughts," and "An Old-Timer's Soliloquy," read by Mrs. E. L. Carhart. At the close of the meeting, announcement was made that at the final meeting of the club the programs of the coming club year would be given to the members.

Mrs. H. C. King Appointed Delegate

Mrs. H. C. King was appointed as delegate to attend the annual convention of the Ohio Federation of Women's clubs, held in Dayton this week, at a meeting of the Seaside club yesterday afternoon with Mrs. William Tracy, South Prospect st. Mrs. R. A. Gurin, vice president, presided at the meeting in the absence of the president, Mrs. A. N. Grimes. Devotions were led by Mrs. O. A. Whelan, and the roll call was answered with current events. Mrs. S. L. Surface read a paper on the "Legends of Nantucket" followed by a paper on the World Court, given by Mrs. F. L. Alexander. The last meeting of the club for the year will be on May 6 with Mrs. J. E. Smith, 231 West Church st., at which time the annual and the convention reports will be given. Installation of officers held, and a social hour enjoyed.

Schubert Music Club Meets at Studio

The Schubert Music club, the senior organization of Miss Mary Evangelina Lawrence's piano pupils, held a regular meeting at the studio, 610 East Center st., last night at 7:30 o'clock. Following a brief business session, led by the president, Miss Mary Heininger, the following program was given: duet, Junilia Kimmel and Lora Zeig; solo, by Helen Burns, "Gone with the Wind," Junilia Kimmel, "Bird Little," Kathryn Schneider, "Iona Zeig and Bohm Knauer," and a duet by Lora Zeig and Miss Lawrence. The program concluded with a drill in musical theory led by the president, Miss Heininger. The next meeting will be a program meeting for the pleasure of the parents and friends of the members, May 6 at the studio.

Former Marion Man Married

Charles Wintholt, Avondale av., received word today of the marriage of his cousin, Arthur Corfman, of Tiffin, to Miss Pauline Blinn, also of Tiffin, Friday, April 10. Mr. Corfman was a former resident of Marion.

College Professor To Address Clubs

Members of the Advance club will be guests at a meeting of the Literature Study club April 30 at the home of Mrs. Ethel Young, St. James st. It was announced last night at a meeting of the Literature Study club at the home of Mrs. W. H. Morgan, South Greenwood st. Professor Packard, dramatic literature instructor at Kenyon college, Gambler, O., will address the clubs on the subject, "How to Read a Play." Following the business meeting of the club last night, Miss Grace Baldwin reviewed Clyde Plett's three-act drama, "Truth."

McCoy's Puts Weight On Weak Skinny Men

Hollows in cheeks—hollows in the sides of neck—flatness in chest—why don't you do something to make yourself look like a real man? McCoy's Tablets put on weight—weight is needed—not only that but they build up your general health and you grow stronger, more energetic and get plenty of ambition. One woman gained 35 pounds in six weeks.

McCoy takes all the risk—Read this iron-clad guarantee. If after taking 4 sixty-cent boxes of McCoy's Tablets or 2 One Dollar boxes you still underweight, thin or weak, doesn't gain at least 5 pounds and feel completely satisfied with the marked improvement in health—your druggist is authorized to return your money.

Ask at Henney & Cooper's or any drug store for McCoy's Tablets. Marked by McCoy's Laboratories. Also distributors of McCoy's Cod Liver Oil.

Backache Bother You?

Too Often This Warns of Sluggish Kidneys.

DOES every day find you lame and aching—suffering nagging backache, headache and dizzy spells?

Are kidney excretions too frequent, scanty or burning in passage? These are often signs of sluggish kidneys and shouldn't be neglected.

To promote normal kidney action and assist your kidneys in cleansing your blood of poisonous wastes, use **Doan's Pills**. Recommended the world over. Ask your neighbor.

50,000 Users Endorse Doan's:

Mrs. Frances Wrenham, 623 Main St., Boston, Mass., writes: "After a severe cold my kidneys got so bad that I was unable to get up at night. I used Doan's Pills and in a few days I was able to sleep and in a week I was well. I feel so much better now I don't want to stop using them and I feel I will use them as long as I live."

Birthdays Party at Lowry Home

Mrs. Harley Lowry entertained a number of friends at her home, Avondale av., Friday night in honor of the birthday anniversary of Mr. Lowry. Cards and music were enjoyed by the guests and refreshments were served. Mr. Lowry was presented a number of remembrances. Those present were Mr. and Mrs. H. Hartman, Mrs. E. E. Emerick, of Crestline; A. M. Shiflet, of Lima; J. K. Herman, of Ft. Wayne, Ind.; Mr. and Mrs. W. J. Haubert, Mr. and Mrs. John Kutz and family, Mr. and Mrs. H. Graham, Mrs. G. Bloom, Miss Dorothy Lowry, Mrs. Graham, Letty, Herbert and Junior Lowry.

Miss Miss Williams Entertained

Miss Margaret Williams entertained members of the 18th club last night at her home, North Grand av. Two tables were arranged for bridge, honors going to Miss Ardell Bodier and Miss Edna Kesselring. A social hour was enjoyed, and the hostess served a luncheon assisted by Miss Mary Kathryn Artopoulos. Guests of the club were Miss Irene Kruse and Miss Kesselring. The club will hold the next regular meeting in two weeks with Miss Bodier, East Church st.

Minim Salut To Sing In Delaware

Marion friends of Miss Minnie Saint, of New York and Columbus, will be pleased to know that she is being presented in a concert Thursday night at Sandborn Hall, Delaware, by Kappa Gamma sorority of Ohio Wesleyan university.

Miss Saint was here Nov. 28 as guest artist of the Marion Lecture-Musical club, and at that time won much favorable comment on her lovely lyric soprano voice. In May, Miss Saint will return to New York to all concert engagements in the east.

Norma Hopkins Putnam, violinist, and Ruth Trutt Reed, both well known in Columbus music circles, will accompany Miss Saint.

Entertain For Mr. and Mrs. Burleson

Mr. and Mrs. C. W. Cottrell, Chicago av., entertained with a miscellaneous shower Friday night for the pleasure of Mr. and Mrs. H. A. Burleson, who left Sunday to make their home in Detroit. The time was spent socially. Refreshments were served by the hosts to Mrs. H. A. Burleson, Mrs. L. E. Price, Mrs. G. O. Deaver, Mrs. A. F. McWhorter, Mrs. F. L. Knicker, Mrs. Arlene Reichardt and sons, Mrs. D. H. Peterson, Mrs. Fred Artopoulos, Mrs. Otto Artopoulos, Miss Beatrice Weaver, Russell Cottrell and the guests of honor.

Double Wedding Solemnized

Walter Charles Strominger, of Mansfield, compositor employed by "The Marion Star," and Miss Olga Frances Ritter, of Ashland, were married Sunday afternoon in the parsonage of the Mansfield Evangelical church. Rev. W. E. Bailey officiated at the single ring ceremony.

Shortly after the first ceremony, Miss Florence Cecelia Strominger and Harold Meyer, both of Mansfield, were united in marriage with the double ring services.

Mr. and Mrs. Strominger left immediately after the services for a trip through Michigan, and will make their home later in Marion. Mr. and Mrs. Meyer will live in Ashland.

Trinity Pastor Speaks At P. T. A. Meeting

Plans were made for a May breakfast, Wednesday, May 1, at the meeting of members of Florence Rilling Harding circle, Child Conservation league, Monday afternoon at the library. An interesting article on "Child Health Day" was presented by Mrs. W. H. Martin and Mrs. E. G. Laffler presented an instructive paper on "Equipment and Arrangement of the Ideal Nursery." "Baby Hygiene, Food and Clothing" was the subject of a paper by Mrs. J. F. Munstering and Edwin Toms, of Prospect, entertained with two juvenile readings. A forceful talk on "Training in Workship" was given by the Rev. A. L. Wood, pastor of Trinity Baptist church, which concluded the program hour. The next meeting will be in two weeks at the library.

Personal Mention

Mr. and Mrs. H. A. Burleson left yesterday for Detroit, where they will make their future home. Mrs. Burleson before her recent marriage was Miss Dorothy Cottrell, daughter of Mr. and Mrs. C. W. Cottrell, Chicago av.

G. H. Oberlander, formerly of this city, and now living in Columbus, was a guest here over the week-end.

John Orens, of Cleveland, a former resident of this city, visited friends here over the week-end.

Miss Ruth Gutierrez, of Marion, and Miss Dorothy Robinson, of Brush Ridge, students at Hillsdale college, Hillsdale, Mich., were here over the week-end, accompanied by guests from the school.

Mrs. Ida R. Kneut, South Greenwood st., is spending two weeks in Cleveland.

Miss Margaret Ruffing, student nurse at St. Vincent's hospital, Toledo, returned Monday after a week-end visit with her parents, Mr. and Mrs. J. R. Ruffing, North Prospect st.

BIRTHS

Mr. and Mrs. Koller R. Vance, 241 Union av., are the parents of a daughter, born this morning at City hospital.

PLYMOUTH—the only full size—low priced car—Ad.

Agosta News

Indigestion Immediate Relief!

What most people call indigestion is usually excess acid in the stomach. The food has soured. The instant remedy is an alkali which neutralizes acids. But, don't use crude helps. Use what your doctor would advise.

The best help is Phillips' Milk of Magnesia. For the 50 years since its invention it has remained standard with physicians. You will find nothing else so quick in its effect, so harmless, so efficient.

One tasteless spoonful in water neutralizes many times its volume in acid. The results are immediate, with no bad after-effects. When you learn this fact, you will never deal with excess acid in the crude ways. Go learn—now—why this method is supreme.

We assure you get the genuine Phillips' Milk of Magnesia prescribed by physicians for 50 years in correcting excess acids. 25c and 50c a bottle—any drugstore.

"Milk of Magnesia" has been the U. S. Registered Trade Mark of The Charles H. Phillips Chemical Company and its predecessor Charles H. Phillips since 1875—Adv.

City Grade Schools Open Annual Art Exhibits; Plan Social Events as Feature

Displays Starting Today Are Shown at Various Buildings in Place of Holding Central Exhibit, Prize Offered to Room Attracting Most Visitors

Grade schools of the city are putting forth every effort to make the annual exhibit of school art this year. The plan is to have a central exhibit in the public school from the first to the sixth to display samples of the work done in classes in the respective school instead of holding a central exhibition in the public school. The plan is to have a central exhibit in the public school from the first to the sixth to display samples of the work done in classes in the respective school instead of holding a central exhibition in the public school.

Each grade at various schools is having a special day. Tuesday is second grade day, Wednesday is first grade day, Thursday is fourth grade day and Friday is first and third grade day.

Plans for the week are as follows: Monday, May 11, 1936, 10:00 a.m. to 1:00 p.m. Social event at the school. Tuesday, May 12, 1936, 10:00 a.m. to 1:00 p.m. Social event at the school.

Only \$39 for the Bed
Only \$39 for the Chest
FINISH
A truly distinctive suite made up by the striking two-toned relief carving which embellishes the top drawer. French Walnut overlays in graceful butterfly design with black round outline decoration also the final touch of ultra-modernness. High lighted in a velvety toned walnut finish. All pieces exactly as illustrated.
CONSTRUCTION
The Showers Abbey suite is constructed to give you years of satisfactory service. Only specially kiln dried select woods are used and the surfaces are all hand-rubbed, high-lighted and hand-wiped. It is dust-proof and easy sliding drawers are assured always. Companion pieces displayed.
SEE THEM IN OUR WINDOW
Regardless of price it is impossible to buy newer or more up to date furniture than the Showers 'Abbey'. In it you have the rich and genuine French Moire Walnut overlays united with American Walnut for effects that are the last word in style and beauty. Beauty and style that fill your heart with the pride of possession. Graceful turnings complete the ensemble of beauty and keep the charm of this furniture always fresh and alluring. And think of it! Only \$39 for each piece. And such startling easy payments, too!
All Pieces Exactly As Sketched
\$39 FOR EACH PIECE
Your guests will enjoy the Baronet as well as yourself. Character is reflected in the suave lines of this modern design while delicate scroll carvings and symmetrical moulding introduce a suggestion of the classic. The heavy bulbous turnings on the clean-lined posts are richly appealing. Rubbed to a mellow glow, the dull, velvety finish has a charm all its own. China cabinet, buffet, table, host chair and five side chairs. The Baronet is an outstanding and worthy offering.

THURSDAY IS FINAL DAY FOR TEAMS TO ENTER LOOPS HERE

Crisinger Names Committees To Report at Meeting Friday

MAY 13. Baseball fans will get their first look at recreational ball on Monday night, May 13, as near 6 o'clock as possible. This drive was determined after much anxious pro and con between members of the recreational ball commission at a meeting held last night at the Y. M. C. A. It is not known which league will open on this date but if the commission follows the lead of past years it will be a Sunday school loop.

The commission decided not to extend the final date of entry into the leagues. This was set several weeks ago for 9 o'clock Thursday night of this week. The commission decided not to extend this date on the assumption that all the teams have had plenty of time to get their entry fee and list of eligible players in to the Y.

The entry fee remains the same as last year, \$10.

Norris Crisinger, president of the commission named all of his committees for the coming season. They were as follows:

Rules: R. O. Smallwood, chairman; W. D. Harter and P. O. Randolph; Purchasing: Earl Smart, chairman; W. M. Cunningham and Frank Wilson; Grounds: J. L. Meredith, chairman; W. D. Martin and William Johnson; Eligibility: Joe Keller, chairman; Ben Jones and W. D. Scranton.

At the present time the most important committee is without a doubt the rules committee. Mr. Crisinger advised it to meet as soon as possible and to name the necessary changes if any over the rules used last season. The commission will hold a short meeting Friday night of this week to look over the entry lists, decide the number of leagues that will be played this year and to hear reports of the committees that were named last night.

Members of the grounds committee were asked to get in touch with the Marion park commission to find out the chances of having useable grounds on both Garfield park and the field next to Harding Memorial. It is thought that the east end park diamond will be put in good shape for the start of the season.

The purchasing committee was given full authority by the commission to purchase any necessary paraphernalia to start the season with. It is undecided yet what make of bats to use.

The commission adopted the A. U. standard recreational ball as the official ball for the 1929 season. This is an indoor ball and it without a doubt the best that has been used in local ball circles for a number of seasons.

A motion to allow all fielders to use gloves was voted down five to three. This season as in the past years only the first baseman and catcher may use gloves.

President Crisinger announced that in the near future a joint meeting will be held between all managers and captains of teams in the city and the commission. This will be held to iron out several doubtful rules and to allow the commission to settle any question that might be puzzling some managers.

Only three teams had been officially entered up until 9 o'clock last night. They were Joe St. Presby, Germania, Calvary No. 1 and the Pros and Cons.

Bruins Hit .318 In First Week; Trim Cardinals 3-0

AS the second week of the National League season starts, the Cardinals continue to live up to their 1928 reputation of being heavy hitters. In the first games they have collected 53 hits including 11 doubles and six home runs for a team average of .318.

But in the work of three pitchers—Curry, Malone, Tony Bush and Shurtliff—blacks—that has made them favorites to win the pennant. Three four and five hits a game is the team average they have been doing, out to men named McCarthy's twisters have not been scored upon in their last 25 innings on the mound. St. Louis and Pittsburgh have the victims. In winning, his second start of the season yesterday Malone held the Cards to five hits and gained a 10 to 0 deal.

The Cardinals adopted the A. U. standard recreational ball as the official ball for the 1929 season. This is an indoor ball and it without a doubt the best that has been used in local ball circles for a number of seasons.

A motion to allow all fielders to use gloves was voted down five to three. This season as in the past years only the first baseman and catcher may use gloves.

President Crisinger announced that in the near future a joint meeting will be held between all managers and captains of teams in the city and the commission. This will be held to iron out several doubtful rules and to allow the commission to settle any question that might be puzzling some managers.

LACROSSE CHAMP

At Jewell captain and star of Lafayette Pa. Lacrosse team leads in outfit which boasts other collegiate stars and with the famed Charles Goldsmith as coach expects to have extra ordinarily successful season.

SCHMELING EXPECTED TO SIGN UP TONIGHT

Will Talk with Manager Over Transatlantic Telephone

NEW YORK, April 23.—Time and distance are being annihilated to facilitate the matchmaking, for the great milk feud last night.

At 1 o'clock tonight, Herr Max Schmeling will undoubtedly pick up a telephone in Berlin and his number in New York and Joe Jacobs will answer in English over a French phone at Madison Square Garden.

Jacobs, American manager of the German heavyweight, expected to persuade Schmeling to leave Berlin by the end of this week in favor of Prof. William McGarvey, who is in Berlin Jacobs will advise Schmeling not to delay his departure for America where a fortune awaits him for putting up his hands with Senor Paulino Cruzado, at the Yankee stadium on June 27.

The transatlantic telephone service newly installed in Berlin was put into operation for the first time in the closing of a boxing match.

Schmeling was asleep at the time when he calls New York today he is expected to consent to start for New York immediately.

INCREASE LEAD

Marion Billards Win One sided Match From Bucyrus

Shooting a nice game that stamped Bucyrus with a 2 to 0 score Marion Billards participated in the inter city cue tournament last night against their lead to 155 to 125.

Drumming scoring 18 of Marion's points had two high runs of three each. Voltrah scored five of Bucyrus points. The match was played at the Marion Lullard Loxley in 25 innings.

MUSKIEE BEATEN 12-0
NEW CONCORD, April 23.—Scoring seven runs and taking full advantage of their opponent's errors Ohio university's baseball team took a one-sided game from Muskingum here yesterday.

FOUR ERRORS COSTLY AS TRIBE IS BLANKED BY THOMAS OF SOX

Redlegs Get Six Runs in Brilliant Seventh-Inning Rally

BY BOB ELLIOTT

A big seventh inning, which was productive of six welcome runs enabled the Cincinnati Reds to step out and wallop the Pirates from Pittsburgh yesterday at Redland ball park. Singles combined with a mental error and a sacrifice fly managed to send Mr. Carmen Hill's nine pitched ball game.

In the first six innings the Reds failed to score and thanks to four bases on balls to Gratham, first fielder the Corsairs were on the base line, a 0 count as the final out, each started. When it had finished and the three runs in the following inning, and been added to the score the Reds were found to be on the verge of a 9 to 1 final score.

The less said about Mr. Puckin, the better. They managed to commit four errors and lose to East Lack. Burns' solo home from Chicago, 10 to 0.

The Reds after dropping two in a row to the Cards were in no mood to trade with the well known Mr. Hill once they got started. The Reds were double enough in the first six frames but when Larrella blew a perfect double play Hill did every thing but blow the top off the 11th tower. In the eighth inning the Red legs went after Drayson's score, three runs on Lutz's double and singles by Allen and Kelly. This first named gentleman scored two runs and drove in four more. However, Lutz Allen was the hitting star with four singles scoring two runs and driving in one more.

Swanson rookie Red outfielder started his first game and snagged four chances. At last he drove three hard smashed but they all took the after straight at some Pirate header which doesn't follow any usual batting average.

The Indians failed to score against the hose mainly because they only got seven merely bingles while the Chicago nine got 20 runs mainly because the tribe committed four unexcusable bingles in the hole.

However the Sox whaled out 15 safe blows off the delivery of Shantz, Holloway, Grant and Herder. This Shaute person who was supposed to constitute the better half of the tribal hurling staff has been sent to the showers in both of his starts this year. Alphonse Thomas Sox's monomania enjoyed one of his really good days and it was simply too bad Lewis Lonsaea was the only Indian to turn to Page 11.

HORNSBY HITTING 562 FOR CHICAGO

With a record of having reached first base nine consecutive times—two solo and seven straight ones—Hornsby of the Chicago Cubs today boasted a batting average for the season to date of .562.

Hornsby clinched his season's final stride yesterday with a home run for his six pin, can secure his hit. It was off the delivery of George Alexander of the St. Louis Cardinals.

Charlie Huh, rich felder of the Columbus Senators, is at it again. Yesterday in the last game of the series with the St. Paul club Huh knocked out his 9 in home of the official 1320 season.

The Senators gained fame last week for accounting for five home runs in four games.

SAINTS ORGANIZE

St. Mary's Recreation Team To Hold Meeting Tonight

Final organization of the St. Mary's church recreation ball team to participate in the Sunday school soft ball league this summer will take place at the Y. M. C. A. at 8 o'clock tonight. 10 teams have been named and the team and head schedule will set to explain during the season.

First practice will be held at the St. Mary's diamond at 9 o'clock Wednesday night.

OHIO STATE CHALKS UP INITIAL BIG TEN VICTORY OF SEASON

Four Minnesota Errors On Buckeyes 7 to 1 Win at Columbus

COLUMBUS, April 23.—Ohio State's baseball team, after its second Big Ten victory in as many days when they play the second and last game of the season with the University of Minnesota at the stadium diamond here this afternoon.

The Buckeyes first conference win of the 1929 season came yesterday in the first contest with Minnesota's farmington nine. Wayne Wright, protegee took full advantage of the six hits afforded them and with erratic fielding of the Gojers swamped the visitors 7 to 1. Bill Kempe made a sophomore was on the mound for the local collegians.

The SPORT-O-GRAPH

BY FRANK G. MENKE

A GENTLEMAN of the press tags were again in their prime. Suppose the you toward a ball club and were permitted to choose one—but only one—of the group for posterity? Which of these men—arranged alphabetically—would be your choice? Alexander Rader, Cobb, Collins, Hornsby, Johnson, Lajoie, Max Baer, Mark Wagner or Walter

LAJOIE, for instance, was Wagner's superior. If so, in what way? And Eddie Collins, who was Wagner's superior in defense, was a greater runner, a more strategic than Collins in the last days the each of them knew? And how about Hornsby to run the balling game? Hornsby has a great baseball mind. He has speed. He is one through all his days was he accused of not knowing what to do with a baseball when he had it—and DOING IT.

AND then there is Ty Cobb. No man lives who can concede this he was faster than Wagner as great on defense and GRATER by far in the matter of championship, thought and wisdom. Cobb's conversion of this into dramatic action Cobb introduced more original stuff in play than any man that ever jammed a cleated boot into the landscape.

Wagner hung up imperishable records. After which Cobb soon followed along and smashed them all. Cobb hit for nearly marks that Wagner never remotely approached—and that was in a decade when there wasn't a lively ball to add him. Ty scored more runs than any other player in the league—and he averaged 867 with the war club while Wagner was hammering for 330 of the Dawson 4.

INTO this competitive picture comes, talking the majestic figure of Babe Ruth whose record needs no explanation whose exploits require no recital. For they have been engraved in the memory of every human that ever knew the difference between an umpire and a depute.

Christy Mathewson was a ball player too. Dito marks can be accorded to Walter Johnson, Grover Alexander, Ed Walsh, Chas Bender and Eddie Plank.

TURN back the leaves of time and imagine that all the great ones

Carelessness of Pilots Blamed for Increase in Aeronautical Accidents

MacCracken's Report Shows Air Science Has Perfected Craft to Point Where Mishaps Due to Mechanical Failures Are on Decline

WASHINGTON, April 23—Aeronautical science has perfected a craft to the point where mishaps due to mechanical failures were on the decline at the beginning of 1929.

On the other hand the increase in accidents directly attributable to carelessness and carelessness of pilots and other personnel increased at an alarm rate during the last six months.

William P. MacCracken Jr., secretary for civil aeronautics, today disclosed percentage figures in connection with the tragedy at San Diego, Cal., in which a crash of a plane cost the lives of 34 persons.

A dead man cannot be disciplined. Poor technique of pilots, the result of insufficient aeronautical training was the chief source of accidents in the year with a percentage of 29.4. This figure was 23 per cent for the first six months.

Of all accidents attributable to per planned planes are not permitted to come closer together than 300 feet in civil flying service planes natural flying are not expected to approach closer to commercial aircraft.

Official reports for the last six months show that a majority of air fatalities are now attributable to pilots' carelessness or error, rather than to mechanical defects. For the first six months of 1928, 46 per cent of the accidents were attributable to personnel faults, and for the last six months of the year 50 per cent were so attributed, an increase of 12 per cent.

The army air service, the United States department of commerce and a court's jury will also make an investigation of the pilots of the Maddux plane.

Two passengers and Lieutenant Keeler were the victims of the air tragedy.

MacCracken said "Because of the fact that pilots become 'hardened' to deaths in the air such accidents have little disciplinary effect on other fliers."

Blame Carelessness
If newspaper reports are true Lieutenant Keeler, the army pilot undoubtedly would have received severe discipline from the army for his actions.

According to dispatches Keeler stated with his plane in the vicinity of the giant Maddux air liner and finally collided with the other machine in mid air.

Under the law MacCracken explained

reputation, have been revoked for violation of the air laws. Most of them were revoked for flagrant carelessness. Both the army and navy were said to be cooperating with the civil authorities.

Taken as a whole these schools might be classed as ordinary although there are some good ones. Through the rating system, cooperation and permission the department is endeavoring to improve the standards of instruction. It will be impossible for the department to set the standards too high at the beginning since the schools simply would decline to be rated and nothing would be accomplished.

Disciplinary measures must be handled by the government and has been authorized to rate all aeronautical schools. The licenses of several fliers are of interest.
